SUBJECT: HAITI DEMARCHE FOR BUDGET SUPPORT

REF: SECSTATE 132852

We delivered demarche June 24 to high level contacts at the Spanish Agency for International Development. We received a response July 2 after repeated requests from Technical Counselor Jose Maria Berzosa of the Subdirectorate for Mexico, Central America and the Caribbean. Berzosa noted that emergency aid might be a possibility, but specifics have not been announced. The Spanish government is considering increased assistance to Haiti, and the Agency plans to reactivate its office in Haiti in the near future.
